Scotch & Whisky **WORKSHOP**

Being passionate about this wonderful family of spirits, our experts will make you travel around the world to share with you their knowledge. Through Scotland, Ireland, Japan, United States and Canada, we will make you understand their differences and typicality while enjoying every unique product.

No need to be a connoisseur, our sommelier to appreciate this type of tasting. Beginner, intermediate or advanced, our services are tailored according to your expectations. Customer satisfaction is the key of our success.

Tasting of 4 products

An interactive and sensory workshop where you will discover the ABC's of Scotch & Whisky's.

*Looking forward in Hosting with you!
Cheers!*
