SPIRIT WORKSHOP

There is an obvious rise in Quebec spirits products as. The question is when and how to consume these local products and which one to choose?

Our experts can answer all of you questions! They will explain the different types of spirits: vodka, gin, rum, etc, the regions and the difference between Quebec and international products. An interactive tasting will make you discover some of these products.

Tasting of 3 products.

Headed by Manoushka Ross, president and booking agent for Vins au Féminin, the sommeliers are recognized internationally. This team of passionate, specialized in animation and event experience are the cream of the crop in their field.

*Looking forward in Hosting with you!
Cheers!*
