Beer TASTING

Discover beers and learn more about this fascinating world. No need to be a great connoisseur everyone will have the same possibility to live a great experience.

What will be discovered:

- Understanding the manufacturing methods and the different inspirations.
- Taste the differences between styles.
- Appreciate the diversity of aromas and flavors guided by your sommelier.

Headed by Manoushka Ross, President and booking agent for the Vins au Féminin team, the sommeliers and hosts are recognized on an international scale. This team of passionate experts are specialized in hosting and coordinating great events. They are simply the cream of the crop.

Looking forward to share this tasting event with you!
