Scotch & Whisky TASTING

Being passionate about this wonderful family of spirits, our experts will make you travel around the world to share with you their knowledge.

Dive into the world of Scotch and Whiskies with this interactive and sensory workshop where you will discover the ABC's of making all types of all types of Scotch and Whisky.

- Understand how whiskey is made.
- Taste the differences between the different products.
- Enjoy the aromas and flavors guided by your sommelier.

Looking forward to share this tasting event with you!
