## Spirits TASTING

There is a clear rise in the number of Quebec spirits at the SAQ and in restaurants/bars. And now you ask yourself, where and when? How to consume these local products and which ones to choose?

Our expert has the answers! She will explain to you the different types of spirits: vodka, gin, rum etc., regions and distilleries of Quebec and the international one as well. An interactive tasting will make you discover some of these products.

An interactive and immersive tasting in the world of spirits.

### Tasting of 3 products.

- Understand the manufacturing methods of three selected spirits.
- Discover the nuances and taste the differences.
- Mix your personalized cocktail with your sommelier/mixologist.

*Looking forward to share this tasting event with you!*
